

FREQUENTLY
asked
QUESTIONS

- Q:** Is food provided at FCCPS?
- A:** Morning and Afternoon snack is provided each day. Lunches are not provided by the preschool. The only exception is on Pizza Fridays where parents may preorder pizza lunch for their child.
- Q:** What security does the school have?
- A:** We have security officers on the school campus. We have security doors on the outside of the building that remain locked. And classroom doors remain locked as well.
- Q:** What age groups are accommodated?
- A:** We serve children from 6 weeks old up to 4 years old.

CHRIST CENTERED

+

IT'S ALL ABOUT JESUS

Our preschool provides quality Christian education through various means. We have weekly Bible lessons and daily chapel, where we say pledges to the Christian flag, Bible, and American flag. During chapel, we also memorize a weekly Bible verse, sing and dance to praise the Lord, and pray for our school, community, and the world. Our goal is to foster a love for Jesus in our students and help them grow in their faith.

ABOUT US

Discovering the wonders of God's world through play and learning.

Welcome to Family Christian Center Preschool. We have been operating in Clermont, Florida since 2002 and are licensed and accredited. Our emphasis is on Christian education that is developmentally appropriate, engaging, and structured. We provide a caring environment with qualified teachers who prioritize your child's growth and well-being. Our daily chapel is a cornerstone of our curriculum, where we teach children about Jesus and his teachings. We believe that a strong foundation in faith is essential to a child's growth and development. Come join us and experience the best in Christian preschool education.

CURRICULUM

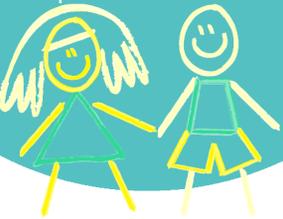

Our preschool program provides a fun and caring learning environment for children. Play is an important part of learning, and we believe children learn best while having fun. Our weekly lesson plans are curriculum based and carefully prepared by our teachers to ensure learning is a fun and engaging experience. Parents can view lesson plans for the week as they are posted outside each classroom.

Preschool

Our Preschoolers use ESSENTIALS as their curriculum for a well-rounded education. The curriculum includes early literacy, math, art, and science that incorporates lessons from the bible all along the way.

VPK (4-year-olds)

Our VPK program uses Zoo Phonics as their curriculum with an emphasis on early reading skills. Children also practice more advanced math such as addition and subtraction. Science, art and bible lessons are carefully integrated into each weekly lesson plan.
